ABOUT CMBA CMB MAGAZINE

CMBA is an inter-jurisdictional umbrella association consisting of provincial mortgage broker associations in Canada. The mandate of the CMBA is to strengthen the efficiencies of provincial mortgage broker associations and enable them to focus on providing regional services to their members while sharing certain cross jurisdictional costs, programs and advocacy initiatives amongst provincial associations.

CMBA provides Canada's provincial mortgage broker associations with a forum to work cooperatively; better share resources, branding initiatives, programs and information; and coordinate engagement of provincial association members to identify trends and develop solutions to common industry and regulatory issues.

All provincial mortgage broker associations belonging to CMBA have adopted the mark of membership for their members – MB. CMBA and its provincial mortgage associations promote the MB logo to mortgage consumers to let them know that their best mortgage advice comes from a mortgage broker and to look for the mark of membership to find a mortgage broker

CMB magazine is the official voice of the mortgage brokerage industry, and the most reliable source of information and insights in assisting members to increase their expertise in the field. CMBA works to hold the mortgage brokerage conversation wherever possible with its portfolio of products and services designed to reach key players involved in the industry.

CMB is a vital source for members to facilitate knowledge and increase expertise in their given field. This magazine presents an excellent means of communication within and outside the industry, providing not only a forum for corporations and service organizations to interconnect, but also to deliver the latest news, profiles, feature articles, case studies and detailed trends.

CMB is uniquely positioned to deliver your message to fundamental players in the Canadian mortgage brokerage industry, representing members nationwide. The magazine is printed in full-colour and glossy paper, sized 8 3/8" x 10 3/4", and is published on a quarterly basis.

Consider This

Recent studies show that custom publishing surpasses print, television and radio advertising, and also dominates Internet marketing and telemarketing, in building long-term relationships, promoting loyalty and retaining existing members.

Magazines engage viewers in a manner that is strategically unlike any other form of advertising media. On average, a reader will revisit a magazine at least three times and will likely put it on display, allowing the marketing message to grab – and hold – the reader's attention.

In our fast-paced, media-saturated world, magazine advertising is a reliable way to provide consumers with a satisfactory, leisurely and intimate experience.

WHY ADVERTISE

Unparalleled Exposure!

Each and every CMBA member receives four editions of CMB annually, which provide informative editorial content and unparalleled exposure to a widespread scope of participants across the industry and the province. The magazine is also distributed every year at the CMBA-BC, CMBA-ON and CMBA-Atlantic conferences and Annual General Meeting, among other events. Marketing your products and services directly to the mortgage broker community in Canada through this publication will provide excellent coverage of this distinctly targeted niche market.
